

TRIBO LUBES PVT. LTD

Manufacturer of Greases & Specialty Oils

**TL ASHLESS HYDRAULIC OIL****ISO VG** : 32, 46 & 68**Performance level** : DIN -51524 Part 2, HL type, IS 10522, IS 11656

These oils are Ashless types of hydraulic oils, These oils are high antiwear types of hydraulic oils. They provide excellent lubricants and protection against rust and corrosion, These oils are suitable for high Speed , Load and temperature.

Application: These products are recommended for superior demulsibility thermal and high oxidation and Numerical control hydraulics system where Ashless Hydraulic oil are required
